

Farmers FITASC 2018

Sponsored by Hopkins Concrete Limited

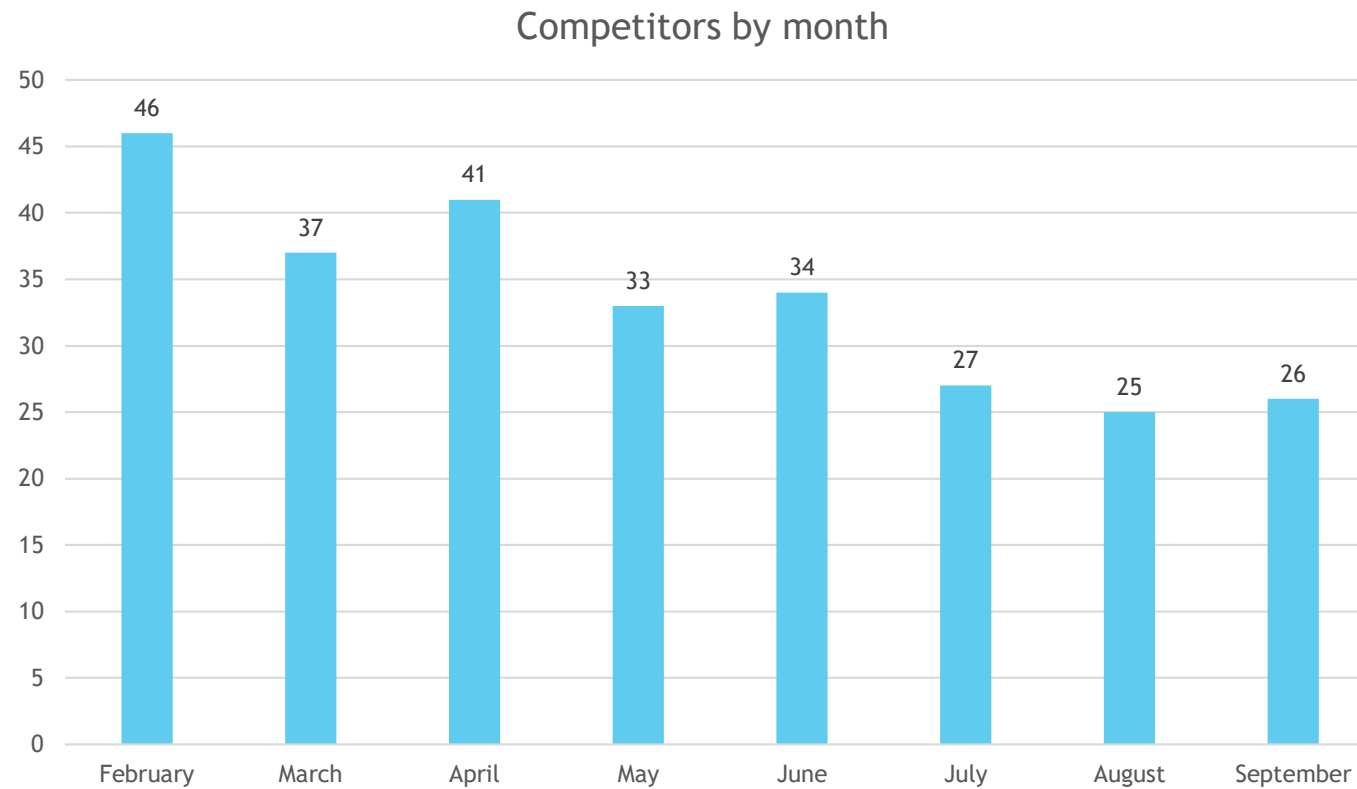

Introduction

- ✓ This is a brief presentation that we at Hopkins Concrete have compiled as it makes a change for Richard not to have to do all of the hard work!
- ✓ We would like to thank everybody that competed throughout the year in a series of shoots that we are delighted to be associated with.
- ✓ We would like to take this opportunity to thank all of the people involved at the shooting grounds including the owners, scorers and those that provided the all important catering.
- ✓ Most importantly we would like to thank Richard Pike who works extremely hard to organise, run, score and report on all of these events. Without him the shoots wouldn't happen.

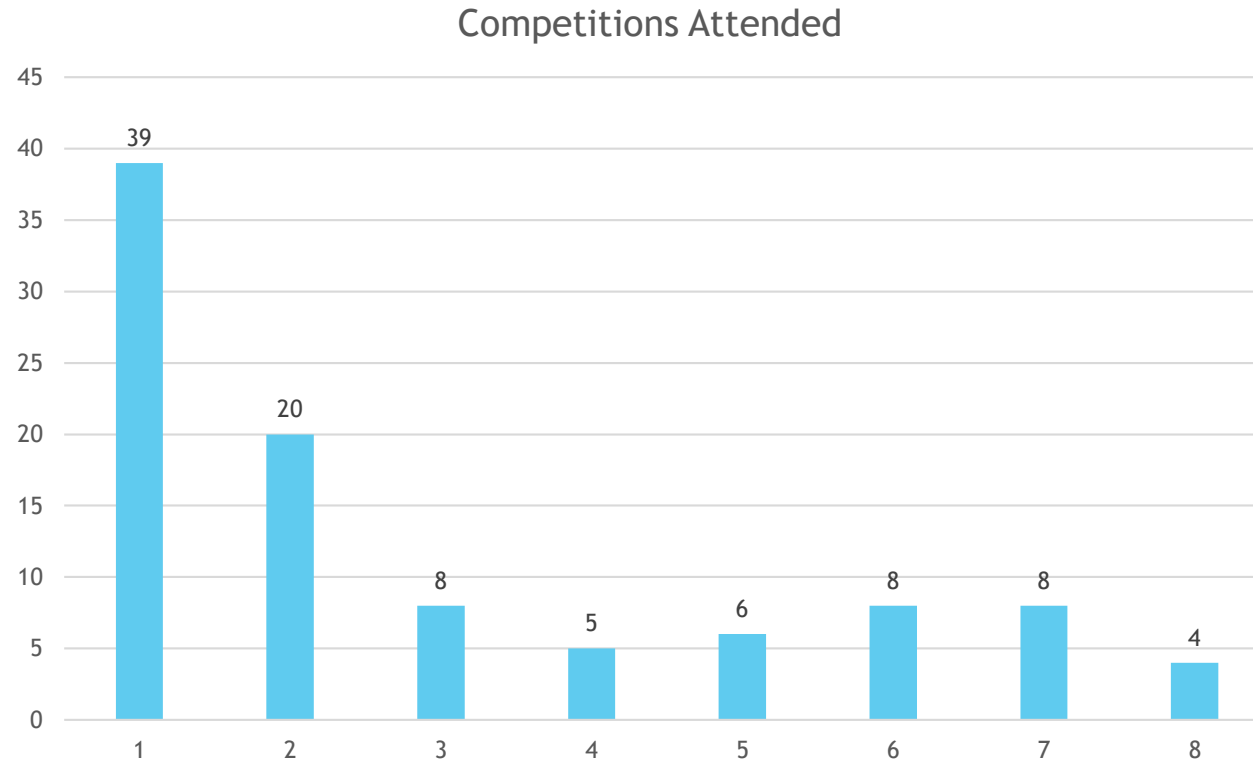

Summary of the year

- ▶ Eight Farmers FITASC shoots were held from February to September
- ▶ Five shooting grounds were used - Purbeck, Ham Cross, Barrow Farm, Roundwood and Gunsite
- ▶ 88 competitors shot throughout the year
- ▶ Four competitors shot at all eight events
- ▶ 26,900 clays were released
- ▶ 18,996 clays were killed which equates to 70.62%
- ▶ 7,904 clays were lost which equates to 29.39%

Competitors by Month

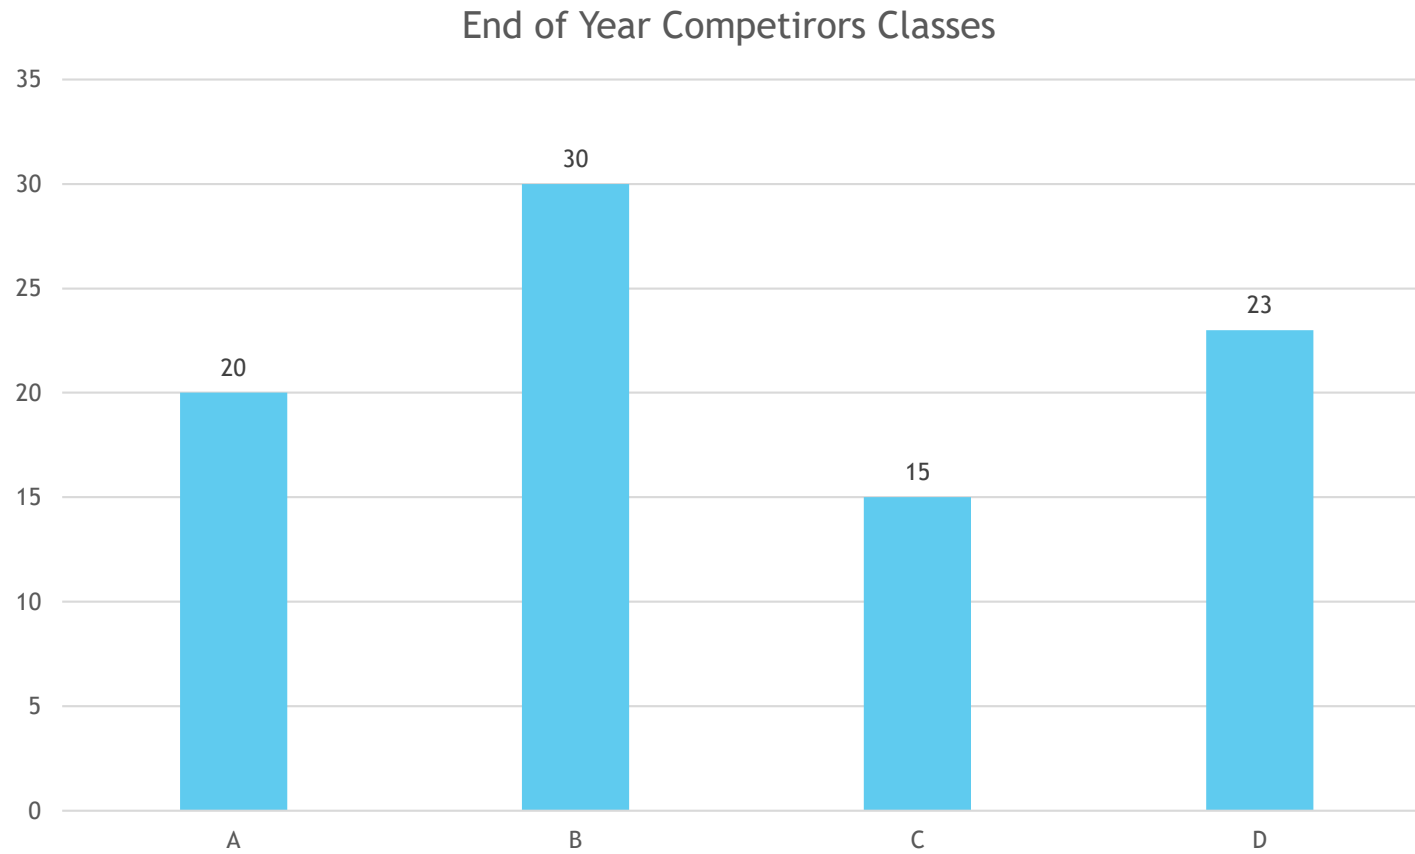

Competitions Attended

Competitors who attended all eight competitions

- Dave Coward
- Frank Hodges
